VISA APPLICATION PROCEDURE

STEP 1: Interested potential clients are expected to either contact Canadian Dream Visa through the available **official contacts** or make an appointment to **visit the office** so as to understand in depth what Canadian Dream Visa is all about as well as **understanding the company policies and procedures**. This enable them to make an informed decision prior to joining Canadian Dream Visa.

STEP 2: Client Assessment.

First, we assess the client's eligibility and ensure that we select the immigration program for jobs, work permits and permanent residency that best suits the client. We ensure that the client's nationality and personal circumstances allow him/her to apply for the desired program, otherwise, we find an alternative.

STEP 3: Document preparation.

A specialized Document Officer is assigned to assist the client prepare a personalized checklist of the documents required. The client should then present the required documents via our email as instructed.

STEP 4: Language Proficiency Test

The client **MUST** provide a **VALID** language proficiency test certificate as a requirements the visa application process (**IELTS ONLY**). The client can either do the test on their own and bring the result or be guided by Canadian Dream Visa on how to go about it. We offer mandatory physical and online classes for our clients to prepare for this language test if the client decides to be guided by us.

STEP 5: Education Credential Assessment (ECA)

The client must provide a **VALID** Education Credential Assessment (ECA) Report. This report is used to verify that your foreign documents are valid and equal to the Canadian standards. They can do so on their own or permit Canadian Dream Visa to do it for them. There are 5 different organizations eligible to do that. Canadian Dream Visa uses World Education Services (ECA) for our clients' ECA reports.

STEP 6: Express Entry Profile Creation

This is an online system that is used to manage immigration applications from skilled and unskilled workers. An express entry profile is created for the client once they have provided the required documents as instructed.

STEP 7: Arranging the documents

All the documents are now arranged for the Visa application.

STEP 8: Submission of Application

The visa application is then submitted for processing.

STEP 9 : Visa Stamping

After Visa Stamping travelling then takes place.
